

25 November 2020

Dr. Martin Kohlmeier,
Editor-in-Chief, *BMJ Nutrition Prevention and Health*

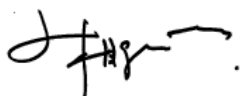

Resubmission the paper:
“Possible causalities between malnutrition and academic performances among primary school children: A cross-sectional study in rural Madagascar”

Dear Dr. Kohlmeier,

Many thanks for sharing the useful comments from two reviewers. Based on those comments, we have revised the manuscript accordingly and are now happy to submit revised manuscript. We are sure that the revised manuscript adequately addresses all the comments raised and meet expectation of Editorial Office of *BMJ Nutrition Prevention and Health*.

Thank you for your consideration. I look forward to hearing from you.

Yours Sincerely

Hirotsugu Aiga, MPH, PhD
