

Supplementary Material

Assumptions Testing – Linear Regression

Histogram of Standardised Residuals

Scatterplot of Standardised Residuals and Standardised Predicted Values

PP Plot of Standardised Residuals

Assumptions Testing – Linear Regression Split by CESD-20 Clinical Cut Off Scores

No Depressive Symptoms

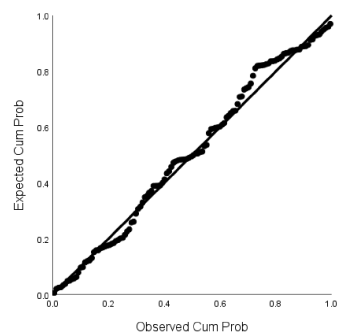

Histogram of Standardised Residuals

Scatterplot of Standardised Residuals and Standardised Predicted Values

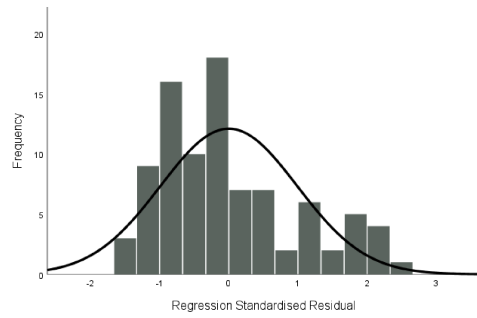

PP Plot of Standardised Residuals

Depressive Symptoms

Histogram of Standardised Residuals

Scatterplot of Standardised Residuals and Standardised Predicted Values

PP Plot of Standardised Residuals
